

How to arrive at CERVO Mountain Resort

Zermatt is a car-free village; only cars with a special permission are allowed.

The easiest way to visit Zermatt is by train. The train runs from all three airports:

Zurich Airport ZRH – Zermatt, 1 change, 3h40

Geneva Airport GVA – Zermatt, 1 change, 4 hours

Basel Airport BSL – Zermatt, 2 changes, 3h50

So Zurich is the most convenient airport.

If our guests like to book a transfer by taxi from one of the airports to CERVO, we are cooperating with Taxi Christophe.
